

# Apex India

Services for Alternative Investment Funds ("AIF's")

## Why India?

- One of the fastest growing countries in the world
- Projected to be third largest economy by 2030
- Vibrant and growing investment destination for private equity and hedge funds
- Abundant pool of talent and business professionals
- GIFT City – India's fast growing international financial services center in Gandhinagar, Gujarat is a major driver for the investment industry

## About Apex India

- 3700+ experienced professionals
- Seven locations, including Mumbai, Pune, Bangalore, and GIFT City
- We are the leading service provider for alternatives
- Service capabilities across fund administration, Special Purpose Vehicle ("SPV") administration, accounting, financial reporting, corporate services, and transfer agency
- Access to additional services and expertise from our global team such as ESG reporting for private equity funds, look-through reporting, accounting, FX services, depositary, global custody, banking, brokerage, corporate services, and US tax reporting
- Access to the latest market leading technologies such as Investran, Efront, Paxus, and Geneva
- Convenient time zone location

## Giving you a choice: technologies

## India AIF's

- The fastest growth in the investment industry in the past five years
- 50% compounded annual growth rate as of fiscal year 2022 (FY22)
- AIF is a type of privately pooled investment vehicle governed by Securities and Exchange Board of India ("SEBI") AIF regulations
- AIFs allow a wide range of investment options across social impact, venture capital, private equity, and hedge funds with pre-defined minimum investment amounts

## India offices

● Existing ● Upcoming
